

AnyLogic activation instructions

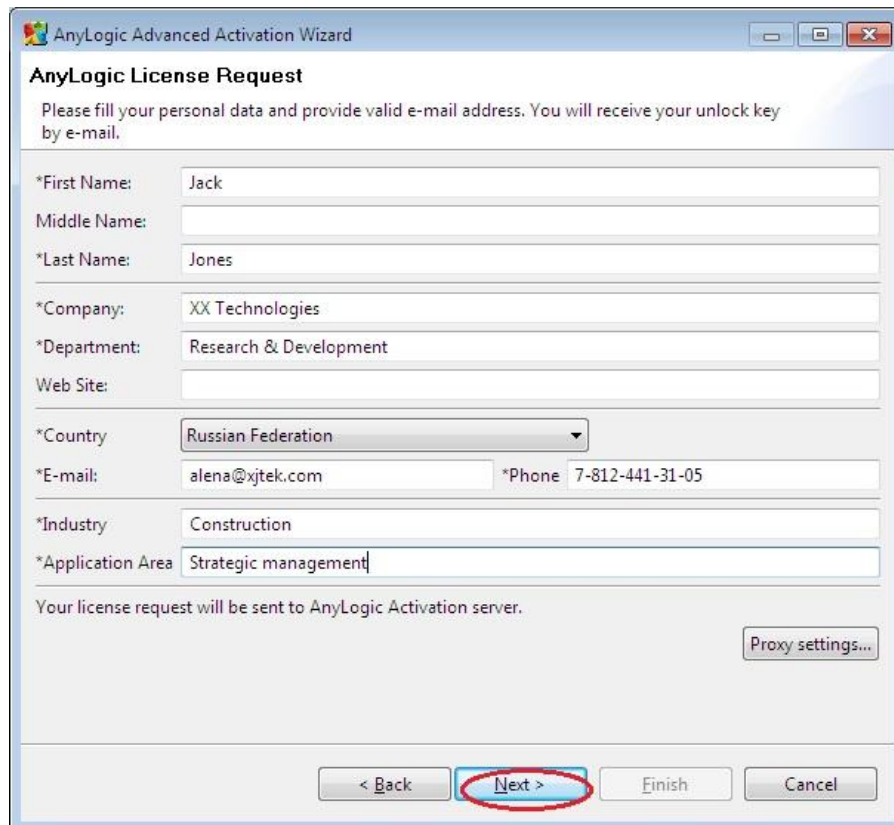

Dear Customer,

Thank you for choosing AnyLogic! Please complete the following steps to download and activate AnyLogic 6:

1. Download AnyLogic 6 from <http://www.xjtek.com/anylogic/download/>
2. Install AnyLogic and run it. An activation wizard will show up automatically (to open it again later select “Help | Activate product”)
3. Select the option “Request a permanent key. The key will be sent to you by e-mail”. Click the “Next” button.

4. Fill in your identification information and click the “Next” button again.

AnyLogic Advanced Activation Wizard

Proxy settings...

< Back **Next >** Finish Cancel

NOTE: Shortly after sending the request you'll receive a confirmation of it's receipt. The actual key will be sent to you later in a separate email.

AnyLogic Advanced Activation Wizard

Information

The key request has been sent

i Your request has been sent and will be processed as soon as possible.

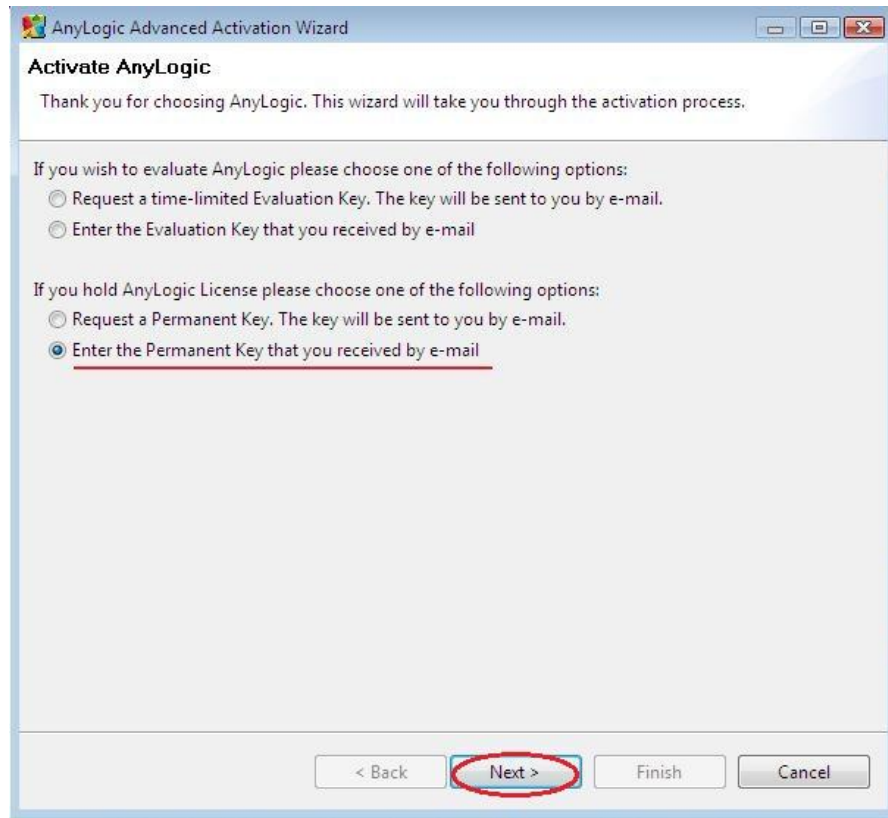

You will receive a confirmation by e-mail. It shows that we start processing your request. If you do not receive the confirmation within five minutes, please contact us:
http://www.xjtek.com/support/ask_question/

The unlock key will be sent to you in separate e-mail. Usually we process a request within one day. If you sent the request in weekend it will be processed on Monday.

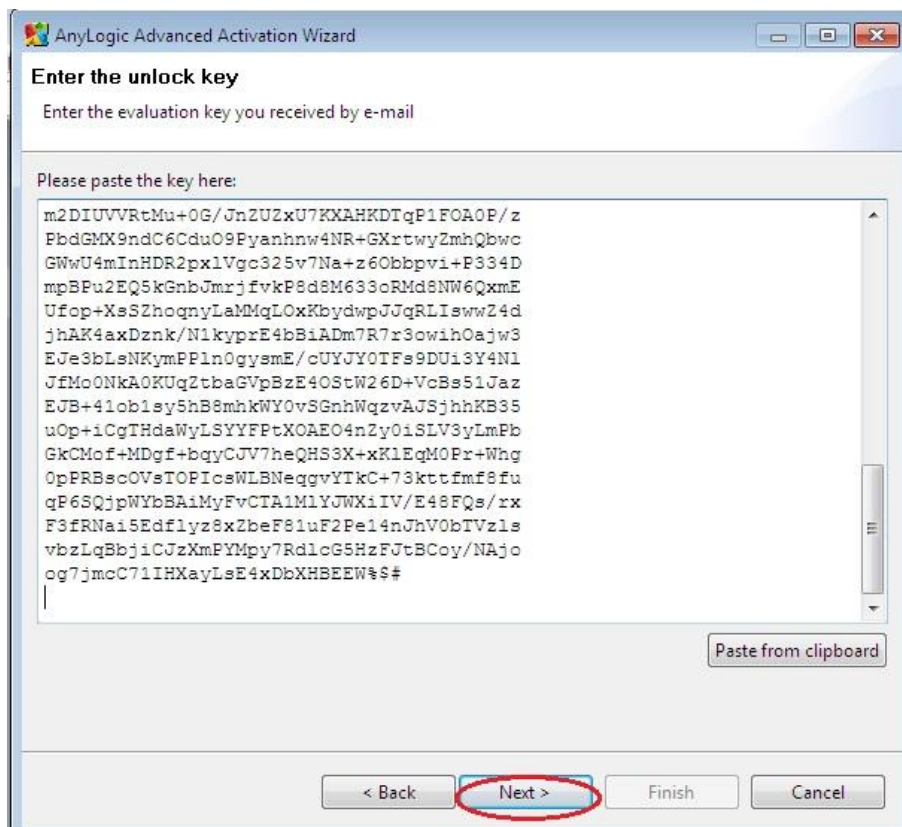

When you receive the unlock key, run AnyLogic and choose "Enter the Permanent Key" in Activation Wizard.

< Back Next > **Finish** Cancel

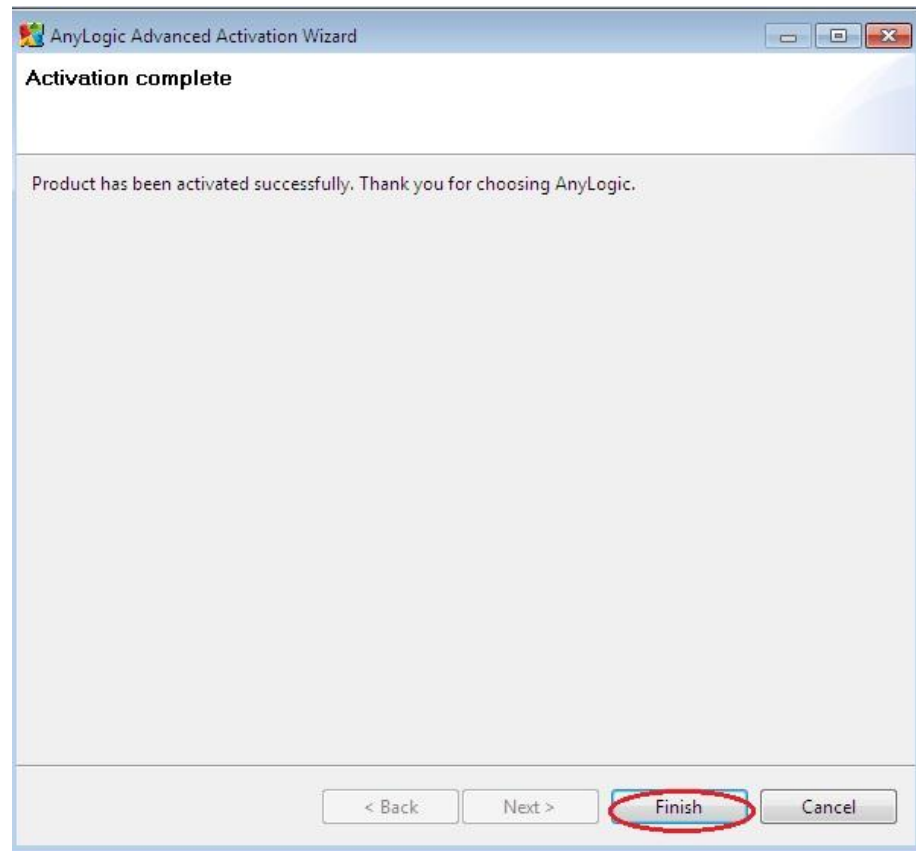

- Receiving the activation key, run AnyLogic. The activation wizard will show up automatically (If you occasionally close it, select "Help | Activate product"). Select the option "Enter the Permanent Key that you received by email" and click the "Next" button.

- Copy the received activation key, paste it in the wizard field and click the "Next" button.

7. Activation is completed. The software is now fully functional.

Should you have any questions or problems, please contact: support@xjtek.com

Yours,
XJ Technologies team
