Please check the junk/spam folder, if you don't receive the email messages within 3 minutes.

Click the “Next” button to continue the activation.

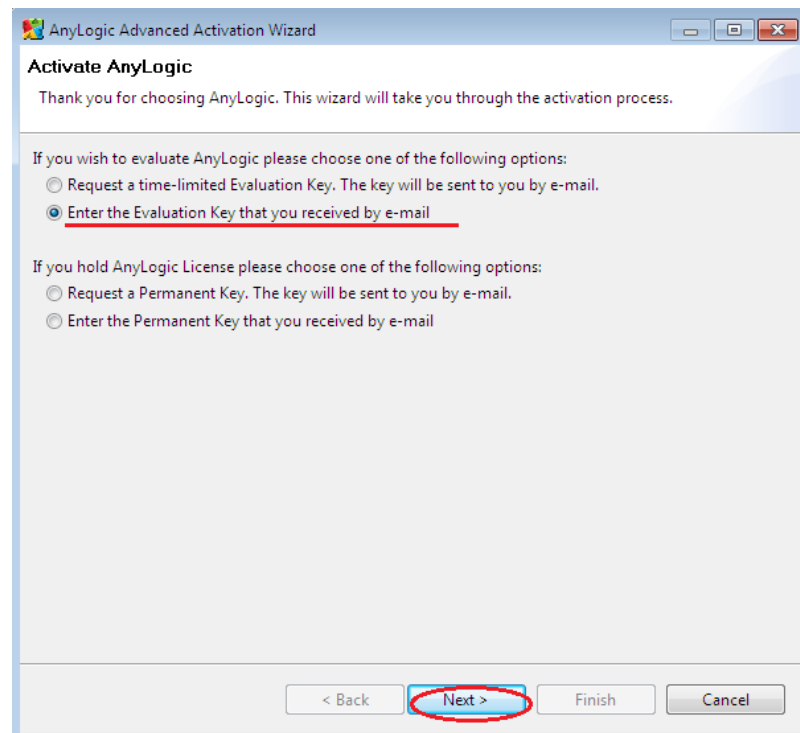

The screenshot shows the 'Information' dialog box. It contains the following text: 'The key request has been sent'. Below this, an information icon is followed by the text: 'The Evaluation Key Request has been sent to AnyLogic Activation server. The Evaluation Key will be automatically generated and sent to the e-mail address you specified in the form.' Below this, it says: 'You will receive two e-mail messages: 1. If you can't find the messages please contact us: http://www.xjtek.com/support/ask_question/'. At the bottom of the dialog, the 'Next >' button is circled in red.

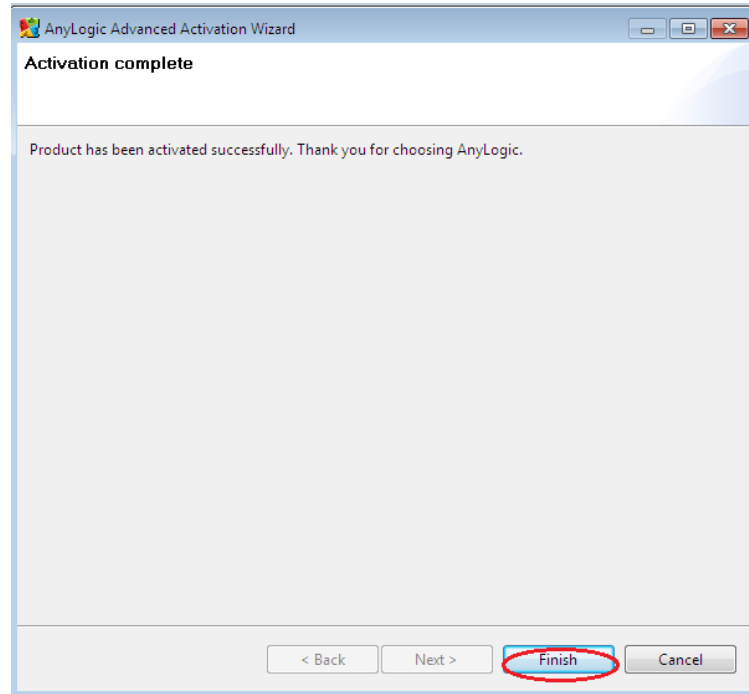

- Copy the received activation key, paste it in the wizard field and click the "Next" button.
